Christmas Showcase

It was wonderful to see our students in action last week. Thank you to Ms. J., our staff and our wonderful PAC for helping to make it so successful. We look forward to seeing our grade 4- 7 students perform in their spring musical in April. Information will go home to parents about our spring musical in the New Year.

Grade 7 Bottle Drive

Our grade 7 students and families will have their first bottle drive of the year from Tuesday, January 9th to Friday, January 19th. Please save your bottles and drop them off in the school parking lot anytime during the school day on those dates. The funds go toward their year end celebration.

Dressing For the Weather

Most of our students are doing a good job of being dressed for the weather with a toque, gloves and warm jacket. It is important for students to go outside for fresh air and to be active. Please make sure that your child has what they need so they can be outside and active for the predicted weather each day.
